

Welburn Hall School

# Welburn Hall Weekly

Friday 7<sup>th</sup> December 2018

## Today's Special Visitor

Archbishop Dr John Sentamu

Who was invite by the students to Visit School and see our life skills lessons in action.

### FESTIVE FUN THIS CHRSTMAS

If you are looking for inspiration over Christmas holidays why not visit Pendragon Community Trust - a specialist sensory centre which provides a wonderful range of experiences for children and adults with learning disabilities. It is the only centre of its kind in the area and families travel from as far as Newcastle and Hull to take advantage of its sensory facilities.

Using the latest technology and the extensive use of sound and light it encourages and stimulates development, motivates and builds confidence and enable self- expression and fun!

The centre in Northallerton has full hoisting facilities and a purpose built changing room as well as a café area where clients and their families and carers can meet and relax. Siblings are welcome too.

Santa is also dropping into the centre on Saturday 15 and 22 December and will be available for visits between 10am and 2pm - £5 per child. For more information contact the centre on 01609 760330 or to book [www.pendragon-ct.org](http://www.pendragon-ct.org)

# Please could you save any empty biscuit tins or sweet tubs you receive over the festive season?

(Food technology are in need of more for students to bring home their cooking home)
